

# Project Linus

Providing Security Through Blankets

## Madison, WI Chapter

<p>Project Linus is a 100% volunteer organization, dedicated to providing handmade blankets to children and teens (0-18) in need of comfort. Project Linus has more than 400 chapters.</p>		<p>Nationally Project Linus has donated more than 2,000,000 handmade blankets to help comfort children. Locally we've given more than 25,000 cuddly blankets to area children.</p>	
	<p><b>Make blankets of all-new, washable, non-wool materials in child-friendly colors. Blankets must measure at least 36" by 36". A suggested size is 40" or 45" by 60."</b></p>		<p><b>Homemade blankets of all-new materials</b> may be knitted, crocheted, quilted, or fleece. Blankets donated to the Madison chapter will be given to children in Wisconsin.</p>
